VOL. IX. NO. 6.

CHICAGO, WEDNESDAY, JANUARY 7, 1903.

PRICE 5 CENTS

GOSSIP OF THE TURF.

Bishop Poole, trainer for M. H. Tichenor & Co., had intended to ship Floearline, Waswift, Elsie L., Harry and, perhaps, one other of the string which the Chicago firm has had at New Orleans since the beginning of the meeting, to Memphis Friday, but did not secure a car. Trainer Poole has wired Mr. Tichenor to send one of his own cars down from Chicago and on its arrival the horses named will be taken to Montgomery Park to be freshened up. Floearline is ineligible for the Crescent City Derby and, with the good colt, Sidney C. Love, she will be given a special preparation over the Memphis track for the big Memphis events.

"Sam" Doggett is gradually becoming accustomed to the new role which he has undertaken—that of trainer. He still keeps up his riding and is to be found daily exercising some of his horses on the track at Gravesend. So far he has but four, all of which will carry his own colors. But as time goes on and he shows his capability, his number will surely increase, for Doggett has always been noted as a hard worker. At present his little team occupies one end of the M. F. Dwyer stable, which is handy to Doggett's house on the other side of the Brooklyn Boulevard.

Turfmen begin the new year with high expectations. They look for better racing, more valuable stakes and purses and general prosperity all around. Ever since the season of 1902 closed there have been indications of a further boom for the sport, which already has won popular favor to a phenomenal degree. In the year to come it is probable that new owners of wealth and influence will add their names to those already in harness, while new jockeys are bound to be developed to take the places of those that have either retired because of an inability to reduce their weights or have gone to seek their fortunes on foreign tracks. The entries of the various big handicaps and important stakes are about to close, and when they have been made known, together with the imposts for the former, the public interest will once more be centered on coming events. Trainers who have precious charges in their care will soon begin active labor in preparing for the next campaign, and all other individuals interested in the sport of kings will get themselves ready for their favorite pastime.—New York Sun.

A New Year's visit to the Sheephead Bay course found the Coney Island Jockey Club grounds to be in grand winter shape. The track, though covered with slush and snow, afforded good footing, and many racers were sent to easy exercise over it.

It was a birthday for every racer at the track, and after the Trinity Church bells sounded on the beginning of the new year every racer became a year older. Thus yearlings that formerly frisked over the track and paddocks took on a new dignity, and will be carded on the programs of the two-year-old events under the names claimed for them.

The older racers do not escape the inevitable of the racing scale, for Hermis, River Pirate and others are a year older and will have to carry the weight assigned them for their years.

Trainer Frank McCabe, of the P. Belmont string, is a firm believer in track exercise for his string. During the morning River Pirate, the two-year-old Algonquin, Molitia and others were sent to easy exercise over the track. Mr. Belmont was present and enjoyed seeing his string at work.

Owner and Trainer F. A. Jones showed his lot in a paddock adjoining his stable. They are all in fine trim and in good health.

Contrary to the report that was circulated toward the close of last season, Col. James E. Pepper will not retire from the turf, but instead will be represented by a high-class string which will be trained by "Crit" Davis, who handled the Pepper Stable last year. Since returning to Kentucky Colonel

Pepper has greatly improved in health, so that he believes with the material in hand it will be of advantage to try one more year to win a fair share of the rich turf prizes. Colonel Pepper has not yet engaged a jockey to fill Redfern's place, but he has several promising boys in view. The Pepper stable will be composed of the three-year-olds, Love Note, Fleeting Venus and Mint Leaf, and these two-year-olds:

Chestnut colt, by Meadowthorpe—Witch's Sterlina; black colt, by Meadowthorpe—Bramble Leaf; chestnut gelding, by Kantaka—Lady Pepper; brown gelding, by Meadowthorpe—Maid Bramble; brown gelding, by Meadowthorpe—Topsy III.; black gelding, by Meadowthorpe—Fair Lady; chestnut filly, by Kantaka—Queenie; bay filly, by Kantaka—Him-yara; chestnut filly, by Kantaka—Ten Drop; bay filly, by Kantaka—Longleaf; chestnut filly, by Kantaka—Nattot; Coal Black Lady, blk. f., by Meadowthorpe—Flirt; bay filly, by Meadowthorpe—Ondina.

Of this lot the brother of Par Excellence, the sister of Black Venus and the half-sister of Roxane have shown the most promising qualities. It is probable that the well-known Pepper colors would have been seen on the turf again even had the Colonel retired for his wife, who managed the stable several years ago with success, was prepared to go on with the proposition.—New York Sun.

Ernest E. Featherstone, who bought Kyrat, holder of the world's record at two and a half miles—4:24—for exportation to Austria several seasons ago, has just received a letter from the horse's Austrian owner asking for his complete American performances, they desiring this information with a view to retiring him to the stud this year. Kyrat has held his own with the best horses in that country and is assured of receiving a liberal stud patronage. He is a son of Teuton—Anna, by Longfellow, and was bred by trainer James Murphy, whose sudden death was chronicled a few weeks ago. Kyrat's dam is now in France, the property of W. K. Vanderbilt.

H. G. Crickmore, of the Westchester Racing Association and Washington Jockey Club, was the center of a pleasant company at the offices of The Jockey Club on New Year's eve. The occasion was the presentation to the veteran official of a handsome little testimonial in the shape of a combination thermometer-barometer, prettily mounted in white and gold. An impromptu spread followed later, at which some well-known persons sat down.

Matthew Byrnes, the well-known trainer of race horses, sailed for Europe Tuesday on the Kaiser Wilhelm der Grosse, accompanied by Frank Kirwan, his foreman; Charles Milburn, an apprentice, and Fred Cowan, a jockey of experience, who has ridden in England for the last two seasons with success.

All four of these Americans are under engagement to Eugene Boross, a resident of Budapest, Hungary, who will at once construct stables and a private race track on his estate between Vienna and Budapest, where Byrnes will prepare his racers for their engagements. Mr. Boross and wife will also sail on the Kaiser Wilhelm.

Byrnes had an offer of \$5,000 per annum for three years from an English turfman, but declined it in favor of the Hungarian offer, which is for two seasons.

Trainer G. W. Pooler said recently that he would weed out his stable at the Memphis meeting and would ship a carload of the best of them east, racing in the east the greater part of the season. He now has twenty-eight in training, including some promising two-year-olds. The best of his older division are Waswift, Cambrian, Elsie L., Floearline and Sidney C. Love. Poole sold Ditty and Jim King to his foreman, George Forbes, and will leave two or three of the cheapest of his lot in charge of Forbes.

Winner—B. g., by Melodrama—Nita Yuma (trained by J. Naylor).

Went to post at 2:00. At post 3 minutes. Start poor. Won ridden out; second the same. John Coulter was off well in motion and opened up a winning gap before the others got to going, but was tiring at the end and doing his best to stall off Aurie B. The latter got in a jam at the start and was knocked out of her stride, then closed a big gap and finished fast under a weak ride. Computation tired as if short and finished in the lumpy going on the inside. There was a lot of crowding and interference at the start. Apple Bloom was cut off and Bonner had to pull up to keep from going down. She closed a big gap. This one is worth remembering and is sure to win.

John Coulter, show, 2 to 1. Aurie B., show, 1 to 3. Computation, show, 3 to 2. Helen Hay, show, 3 to 5.

Winner—Blk. h., by Helicon—Jess (trained by J. Arthur).

Went to post at 2:31. At post 5 minutes. Start poor. Won driving and all out; second easily. Andes just managed to get up in the last stride under a weak finish. He was off running, but Pollak took him back and almost waited too long. Boundlee saved ground all the way and was under a drive all through the last quarter. Benmora showed early speed and outgamed Dr. Scharff in the stretch run. Montanic wheeled when the barrier went up and was left.

Winner—B. h., by St. Simon—Lowly (trained by E. Corrigan).

Went to post at 3:02. At post 4 minutes. Start good. Won easily; second driving. Planudes wore Governor Sayres down while rounding the far turn and came away in the last sixteenth, but had to be shaken up to outrun The Stewardess. The latter saved ground at every turn and outgamed Governor Sayres when it came to a drive. Governor Sayres showed a great turn of speed, but tired as if short in the stretch run. Miss Shanley was carried so fast in the first half that she tired and quit.

Scratched—Mellada, 100.

Winner—B. c., by Ornament—Louise (trained by W. Karrison).

Went to post at 3:33. At post 2 minutes. Start good. Won driving; second the same. Sheriff Bell had to be hard ridden all of the last furlong to get up and caught Mrs. Frank Foster tiring at the end. Fitzgerald was of little help to the latter when it came to a finish. She showed great speed and ran an excellent race. Farmer Jim was under restraint the first three furlongs, but was bumped into by the winner a couple of times in the stretch run, which affected his chances. Glendon ran a poor race and can do better.

Went to post at 4:02. At post 6 minutes. Start fair. Won handily; second easily. Telamon was off running, opened up a gap on his field before the others got going and displayed the most speed all the way, but was hustled along at the end to stall off Jerry Hunt. The latter was crowded back at the start, but closed a big gap and finished fast. Grantor came wide into the homestretch and was driving hard all of the last furlong. Lady Alberta had no mishaps. The Black Scot was on the outside all the way. He showed speed for a half and tired as if short. Glennellie and Lord Neville both quit.

Winner—B. f. by Sir Modred or Duncombe—Sabilla (trained by J. Ownbey).
Went to post at 4:38. At post 2 minutes. Start good. Won driving; second handily. Chickadee showed a lot of early speed and easily raced Simmon into submission in the first mile, but was forced to keep driving to the limit at the end to stall off Satin Coat. The latter was very sore when going to the post. He ran a good race, closed a big gap in the last half and was wearing the winner down at the finish. Pay the Fiddler was outrun in the first part of the race and went to the extreme outside while rounding the far turn, but finished fast and outgamed Simmon in the final drive. Georgia Gardner was cut off while rounding the far turn. Mosketo ran a poor race and can do much better.

Winner—B. g. by El Rio Rey—Lady Dare (trained by J. Nelson).
Went to post at 2:15. At post 3 minutes. Start bad. Won easily; second the same. Rey Dare raced into the lead on the first turn and retained his advantage without urging to the finish and was much the best. I. O. U. away badly and crowded on the first turn, closed a big gap in the last six furlongs and was swerving, but coming fast at the end. Gibraltar secured a lucky start which enabled him, in spite of a poor ride, to last the journey. Lecturer went after the winner early, but a wide stretch turn and a weak finish combined to beat him out of third place. Prima II. was inadequately handled throughout and can do much better. Learoyd was hopelessly pocketed when a furlong out. Rasp, practically left, should give a good account of himself soon.

Corrected weights—Rey Dare, 106; Lecturer, 109.

Winner—B. h. by St. George—Fanfare (trained by D. S. Fountain).
Went to post at 2:44. At post 7 minutes. Start bad. Won cleverly; second driving. Vohicer, away poorly, gradually improved his position and put up a fast stretch run, winning going away. Ada N. beat the gate, was lucky and skillfully ridden, stood a long drive gamely and appeared the winner when a furlong out, but tired unexpectedly. Sleeping Child closed a big gap from a bad start and finished going fast. Pat Morrissey rushed into the lead early and but for crowding in the stretch would have been third. Montana Peeress went well. Golden Cottage was badly messed about. Resin was seriously interfered with early.

Scratched—(36900) Rose of Hilo, 112; 36713 Legal Maxim, 106.

Winner—B. g. by Brutus—Constellation (trained by T. H. Ryan).
Went to post at 3:13. Off at the first break to a good start. Won easily; second driving. Constellator beat the barrier and led without being seriously menaced at any stage and was practically cantelara in the last quarter. Artilla finished well and just got up in the last stride to save second place and can do better. Canejo displayed much improved form and was the only serious contender for the first mile. El Rio Shannon's unexpected loss of early speed was a marked feature. Hermencia's bad race was foreshadowed by the betting. He trailed hopelessly, falling back out of contention although seemingly ready to run fast. His jockey's ride is under investigation and the bookmakers' sheets are being inspected.

Went to post at 3:38. At post 5 minutes. Start bad. Won driving; second the same. Sad Sam beat the gate and made the most of his advantage, forced a terrific pace and stood a long stretch drive gamely. Kenilworth was several lengths behind the winner at the start and delayed too long about going after the winner, but was fast wearing him down at the end. Flush of Gold was away well at the start, but was outrun to the stretch, where she finished with a rush. Corrigan was nearly left and closed a tremendous gap and was probably best. Sylvia Talbot tired after racing into a prominent position in the first half and had scant chance at the start. Ben Mac Dhui was practically left.

Went to post at 4:02. At post 6 minutes. Start good. Won driving; second the same. Barklyite was given a lucky start, forced the pace throughout, and under a strong and vigorous finish outstayed Diomed at the end. Diomed, collided with at the start and off badly, rapidly closed a gap and appeared the winner when a sixteenth out, but his effort tired him in the final strides. Mission, suddenly improved and lucky throughout, ran to his best form. Matin Bell was carried hopelessly wide on all the turns and fell away in the final drive after going a fast seven furlongs. Lone Fisherman loomed up dangerously on the stretch turn and unexpectedly failed to stay, but will improve.

Went to post at 4:31. At post 4 minutes. Start fair. Won in a canter; second driving. Leader ran as if he outclassed the field. Seriously interfered with and pocketed in the first half, when with clear sailing in the stretch he finished like a whirlwind and won with a lot in reserve. The Major, away flat-footed, also worked a rough journey, made a wide stretch turn, finished fast and was second best. Alice Cary secured a lucky start, had clear sailing and led by a wide margin to the stretch turn, where she

failed to stay under a poor ride. Philaenus got away badly, but steadily improved his position, finished with a rush and ran a cracking good race. Epicure made a promising debut. Mexicana went a fast half.

GOSSIP OF THE TURF.

David Gideon has an imported colt at Holmdel—a three-year-old that is arousing considerable interest in racing circles. The youngster, Stanhope, is by Florizel II., King Edward's great race horse, out of the American-bred mare King's Daughter, by Kingfisher. King's Daughter was sent to England some years ago, when the property of J. E. McDonald, and sold to Richard Croker, the Tammany chieftain. He bred her to Florizel II. Stanhope was such a promising yearling that he was entered extensively in many English stakes, but developed into such a big colt that he was never trained, and has yet to face the starter. Enoch Wishard tried Stanhope half a mile in 47 seconds when he had charge of the youngster and the rest of the Croker string. He will be trained this season, if possible.

Visitors to Long Beach appreciate the fine cuisine of the restaurant which is in connection. We will not give away hot sandwiches with each bet in order to meet competition, but an "extra hunch" will more than compensate those who patronize the best managed, best equipped turf exchange on earth.
